

# Take the Watch Your Paws Challenge!

While in natural areas, including parks or protected areas...

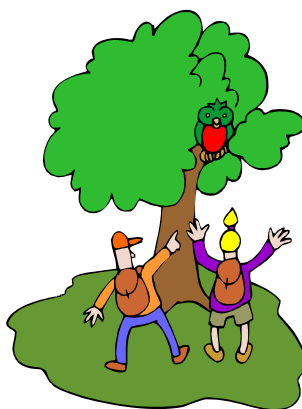

I will be careful with trails, campsites and fires.

I will respect all wildlife and plants.

I will be polite to other people in the park.

I will take out what I bring in.

I will learn the protected area rules before I go camping, hiking, boating or fishing.

- ★ Tell your family and friends about what you have learned about parks and protected areas!
- ★ Make *Watch Your Paws* posters, organize a habitat fair, do a play, or make a video about protected areas!
